Windmill Champion - Marble and Terrazzo Polish - 5L

Variant code: 03-894

Windmill Champion is a marble and terrazzo polish designed to deliver **high-quality surface enhancement and long-lasting protection** for specialist hard floor finishes. As part of the Windmill professional floor care range, it is formulated specifically for use on marble, terrazzo and similar surfaces, helping to maintain their natural appearance while providing a durable polished finish.

The formulation works to enhance the natural characteristics of stone-based floors, producing a smooth, even surface with a clear, attractive sheen. It helps protect against wear, scuffing and everyday traffic, making it suitable for environments where both durability and presentation are important. The polish also supports ongoing maintenance routines, allowing floors to retain their appearance over time with appropriate care.

Windmill Champion is designed for professional application and can be built up in layers to achieve the desired level of finish and protection. Once applied, it forms a resilient coating that helps extend the lifespan of marble and terrazzo surfaces while maintaining clarity and shine. Its compatibility with standard floor care systems ensures it can be integrated into existing maintenance programmes.

Product Features

- Specialist **marble and terrazzo polish**
- Enhances natural appearance of stone floors
- Provides a **smooth, high-quality finish**
- Forms a durable protective coating
- Suitable for professional floorcare systems
- Compatible with standard maintenance routines

Product Benefits

- Improves appearance of marble and terrazzo surfaces
- Extends the life of floor finishes
- Protects against wear and surface
