Windmill Luxury Foaming Hand Soap - 5L

Variant code: 10-350

Windmill Luxury Foaming Hand Soap is a premium cleansing solution designed to provide **rich foaming hand washing performance** for professional washroom and hygiene environments. Mild enough for frequent use, it delivers effective cleansing with a pleasant fragrance while helping maintain skin comfort.

This **high foaming perfumed hand soap** creates a luxurious lather that effectively removes everyday dirt and contamination while remaining gentle on the skin. Its low viscosity formulation is specifically designed for use through **foaming soap dispensers**, ensuring controlled application and economical usage.

Ideal for **hotels, offices, commercial premises, washrooms, bathrooms and kitchen areas**, the soap provides a quality skin cleansing solution for environments where presentation, hygiene and user experience are important. The refreshing fragrance helps leave hands feeling clean and fresh after use.

Supplied in a **5L refill format**, it is suitable for high-use environments and bulk refill systems. The product has a **24-month shelf life** and should be used within **6 months of opening**. Store between **5°C and 40°C**.
