Windmill Coconut Hand/Body Wash and Hair Shampoo - 5L

Variant code: 10-206

Windmill Coconut Hand & Body Wash is a versatile cleansing solution designed to provide **effective hand, body and hair washing** in professional and shared washroom environments. Developed for frequent use, it delivers reliable cleansing performance with a pleasant **coconut fragrance**.

This multi-purpose formulation produces a **rich cleansing lather** that effectively removes dirt and everyday contamination while remaining gentle on skin and hair. Its balanced composition makes it suitable for **regular daily use** in environments where convenient all-in-one washing solutions are required.

Suitable for use as a **hand wash, body wash and hair shampoo**, the product helps simplify washroom and shower area maintenance by combining multiple cleansing functions into one solution. The refreshing coconut fragrance leaves users feeling **clean and refreshed after use**.

Supplied in a **5L format**, it is ideal for **refill systems and high-use environments** including leisure facilities, workplaces, schools and shared washrooms where economical and dependable personal care products are required.
