Windmill Citrus Cleaner - All Purpose Citrus Cleaner Concentrate - 5L

Variant code: 06-850

Windmill Citrus Cleaner is an all-purpose citrus cleaner concentrate designed to deliver **powerful, versatile cleaning performance across multiple surfaces**. As part of the Windmill professional cleaning range, it provides a single, high-performance solution for removing dirt, grease and marks while leaving a fresh orange fragrance.

This **high-performance citrus-based formulation** rapidly cuts through heavy soil, grease and grime, making it ideal for demanding cleaning tasks. It effectively removes **stubborn build-up and heel marks** from non-porous surfaces, while also being suitable for floors, walls, counters and general surface cleaning. Its versatility reduces the need for multiple products, simplifying cleaning routines.

In addition to hard surface cleaning, Windmill Citrus Cleaner is also suitable for **carpet and upholstery extraction**, helping to lift ingrained dirt and revitalise fabrics. The formulation delivers deep cleaning performance while leaving a **fresh, natural orange fragrance**, enhancing the overall environment after use.

As a **professional-grade concentrate**, it offers excellent value with flexible dilution ratios for different cleaning tasks, from light maintenance to heavy-duty degreasing.

Product Features

- All-purpose **citrus cleaner concentrate**
- Removes **grease, grime, soil and scuff marks**
- Suitable for **hard surfaces, floors and walls**
- Effective for **carpet and upholstery extraction**
- Strong **fresh orange fragrance**
- Flexible dilution for multiple cleaning applications

Product Benefits

- Replaces multiple cleaning products with
