Windmill Contester Unperfumed - Heavy Duty Degreaser - 5L

Variant code: 07-260

Windmill Contester Unperfumed is a powerful **heavy duty degreaser** developed for demanding cleaning applications where effective removal of grease, oil and ingrained soil is required without added fragrance. Manufactured under the trusted Windmill range, this formulation is designed for professional environments where strong cleaning performance must be balanced with suitability for sensitive areas.

Its unperfumed formulation makes it particularly suitable for use in environments where fragrances are undesirable, such as food preparation areas or hygiene-sensitive locations. The product works effectively across a wide range of hard surfaces, helping to break down stubborn deposits quickly and efficiently. Designed for versatility, it can be used as part of routine cleaning programmes or for targeted degreasing tasks in areas subject to heavy contamination.

Product Features

- **Heavy duty degreaser** for removing grease, oil and heavy soiling
- **Unperfumed formulation** suitable for sensitive environments
- Effective across a wide range of hard surfaces
- Designed for professional and commercial cleaning applications
- Suitable for routine cleaning and targeted degreasing tasks
- Liquid format for easy dilution and application
- Part of the trusted **Windmill cleaning range**

Product Benefits

- Delivers effective removal of stubborn grease and grime
- Suitable for use where fragranced products are not appropriate
- Supports hygiene standards in professional environments
- Improves cleaning efficiency on heavily

soiled surfaces
- Provides flexibility across multiple cleaning tasks
- Helps maintain clean and safe working environments
- Suitable for consistent use in high-demand cleaning operations

Technical Characteristics

- Suitable for use on most washable hard surfaces
- Use diluted or neat depending on level of soiling
- Apply via cloth, mop, spray or cleaning equipment as required
- Always follow manufacturer dilution and usage guidance
- Test on an inconspicuous area before use on sensitive surfaces
- Store in a cool, dry place away from direct sunlight
- Follow all relevant safety and handling instructions during use

Applications

The **Windmill Contester Unperfumed** is suitable for use in commercial kitchens, food preparation areas, industrial settings, and facilities management environments where effective degreasing is required without added fragrance. It is ideal for cleaning surfaces such as worktops, floors, equipment exteriors and other areas exposed to heavy grease and contamination. Its versatility and unperfumed formulation make it a practical choice for maintaining hygiene standards in professional cleaning operations.

Property	Value
