Windmill Easy Dose Athlete - Polished Floor Maintainer Concentrate - 1L

Variant code: 07-ED60

Windmill Easy Dose Athlete is a polished floor maintainer concentrate designed to deliver **enhanced shine, protection and maintenance** for finished floor surfaces. As part of the Windmill Easy Dose system, it ensures accurate dosing and consistent dilution for reliable results in professional environments.

This high-quality formulation contains a blend of **polymers and wax**, helping to improve surface durability while restoring and maintaining floor appearance. It enhances gloss levels and provides a protective layer that supports ongoing floor care and maintenance routines.

Suitable for use as a **spray cleaning solution or damp mopping detergent**, the product offers flexibility across different cleaning methods. After application, surfaces respond well to **burnishing with soft or medium pads**, further enhancing shine and overall finish.

Supplied in a **1L Easy Dose container with integrated dosing chamber**, it supports controlled usage, reduces waste and ensures consistent performance across all applications.
