Windmill Easy Dose Invincible - Washroom Disinfectant Cleaner Concentrate - 1L

Variant code: 07-ED30

Windmill Easy Dose Invincible - Washroom Disinfectant Cleaner Concentrate - 1L is a washroom disinfectant cleaner concentrate designed to deliver **effective cleaning and bactericidal performance** across a wide range of washroom environments. As part of the Windmill Easy Dose system, it provides controlled dosing and consistent dilution, ensuring reliable results in professional cleaning applications.

This pleasantly perfumed concentrated all-round washroom cleaner combines cleaning and disinfecting action in one solution. It contains a **powerful bactericide**, enabling it to effectively kill bacteria on frequently touched surfaces such as taps, toilet flush handles and door handles, helping to maintain high hygiene standards.

Supplied in an innovative **1L container with an integrated dosing chamber**, the product allows users to achieve accurate dilution every time. Simply squeeze the bottle to dispense the correct amount, ensuring consistent application while reducing product waste and overuse. This system supports efficient cleaning processes and improves cost control.

Suitable for use on a wide range of washroom surfaces, the formulation provides dependable cleaning performance while leaving a **pleasant fragrance** after use, enhancing the overall environment.

Product Features

- Concentrated **washroom disinfectant cleaner**
- Contains **powerful bactericide** for hygiene control
- Effective on **high-touch surfaces**
- Integrated **Easy Dose dosing chamber** for accurate dilution
- Pleasant fragrance for improved environment
- Suitable for a wide range of washroom cleaning tasks

Product Benefits

- Ensures consistent and accurate product dilution
- Helps maintain **high hygiene standards**
- Reduces product waste and improves cost efficiency
- Simplifies cleaning processes with combined cleaning and disinfecting
- Suitable for frequent use in washroom environments
- Enhances user experience with a fresh fragrance

Technical Characteristics

- Designed for use with the **Easy Dose dosing system**
- Suitable for **washroom surfaces and fixtures**
- Requires dilution before use
- Compatible with standard cleaning methods
- Supplied in **integrated dosing container**
- Requires use in accordance with manufacturer guidelines

Applications

Windmill Easy Dose Invincible is suitable for use in **commercial, industrial and institutional washrooms**, including offices, schools, healthcare facilities and public buildings. It is particularly effective for cleaning and disinfecting **high-contact surfaces**, helping to reduce the spread of bacteria in busy environments. The integrated dosing system makes it ideal for facilities requiring **consistent, controlled cleaning performance** with minimal waste.
