Windmill Easy Dose Ultimate - Low Foaming Floor Cleaner Concentrate - 1L

Variant code: 07-ED55

Windmill Easy Dose Ultimate is a low foaming floor cleaner concentrate designed to deliver **efficient cleaning performance on hard floor surfaces**. As part of the Windmill Easy Dose system, it ensures accurate dosing and consistent dilution for reliable results in professional environments.

This formulation is ideal for use through **scrubber dryers**, effectively removing everyday dirt, grease and general soiling from a wide range of hard floors. Its **low foaming properties** allow for smooth machine operation while improving cleaning efficiency and reducing downtime.

The cleaner rinses quickly and leaves **no sticky or slippery residues**, helping maintain safe and clean floor surfaces. While primarily used as a mopping solution, it can also be applied via **trigger spray** for more controlled cleaning or for use on walls and smaller surface areas.

Supplied in a **1L Easy Dose container with integrated dosing chamber**, it supports controlled usage, minimises waste and ensures consistent performance across all cleaning applications.
