Windmill Gleam Plus Glass Cleaner with Vinegar - 5L

Variant code: 06-283

Windmill Gleam Plus Glass Cleaner with Vinegar is a professional-grade cleaning solution designed to deliver **fast, effective cleaning and a smear-free finish** on glass and reflective surfaces. As part of the Windmill range, known for reliable and high-performance cleaning products, it combines advanced formulation with ease of use, making it suitable for both routine and intensive cleaning tasks.

Formulated with **vinegar to aid grease cutting**, this cleaner effectively removes fingerprints, dirt and oily residues from glass, mirrors and surrounding surfaces. The advanced formula ensures a **streak-free, smear-free finish**, enhancing clarity and appearance without leaving residues behind. Its **fast spray and wipe action** makes it highly efficient for daily cleaning routines.

The product is **free from abrasives**, ensuring it will not damage delicate or polished surfaces. It is also **ammonia-free**, making it more pleasant to use while still delivering strong cleaning performance. The inclusion of an **anti-misting agent** helps maintain clearer surfaces for longer, reducing the need for frequent re-cleaning in high-use areas.

Supplied in a **5L format**, it is ideal for professional environments where consistent performance and cost efficiency are required.
