Windmill Gleam Plus - Glass and Mirror Cleaner with Vinegar RTU - 750ml

Variant code: 06-282

Windmill Gleam Plus is a glass and mirror cleaner with vinegar designed to deliver **streak-free cleaning and effective removal of grease and marks** from glass and reflective surfaces. As part of the Windmill professional cleaning range, it combines cleaning performance with the natural effectiveness of vinegar to achieve clear, polished results in a single application.

Formulated as a **ready-to-use solution**, it eliminates the need for dilution, allowing for quick and convenient application. The vinegar-based formulation helps cut through grease, fingerprints and smears, leaving glass, mirrors and other reflective surfaces clean and streak-free. It is particularly effective on high-contact areas where marks and residues are common.

Suitable for a variety of surfaces including windows, mirrors, glass panels and other reflective materials, Windmill Gleam Plus provides versatility across routine cleaning tasks. The formulation ensures fast drying, reducing the need for additional wiping and helping maintain a consistent finish.

Product Features

- Ready-to-use **glass and mirror cleaner with vinegar**
- Delivers **streak-free cleaning performance**
- Removes grease, fingerprints and smears
- Suitable for glass, mirrors and reflective surfaces
- Fast-drying formulation
