

Windmill Synergy Biological Toilet and Urinal Cleaner – 1L – Apple Fragrance

Variant code: 05-805

A mean clean that's green

Experience the refreshing scent of fresh apples while effectively eliminating stubborn toilet odours.

Synergy Biological Toilet and Urinal Cleaner is a **high-performance toilet bowl cleaner** formulated to tackle even the toughest smells. Our **viscous formula** clings to the bowl, ensuring thorough cleaning and long-lasting freshness.

Key Benefits:

- **Odour Elimination:** Banishes unpleasant toilet odours with a delightful apple fragrance.
- **Uric Acid Prevention:** Helps prevent the buildup of uric acid crystals, a common problem in water-saving toilets and urinals.
- **Cleans Deep:** Powerful formula effectively removes stains and grime.
- **Easy to Use:** Simply apply under the rim and allow for up to 30 minutes of contact time before brushing and flushing.

Ideal for:

- All toilets and urinals
- Water-saving toilets and urinals
- Preventing uric acid buildup

Experience a cleaner, fresher bathroom with Synergy Biological Toilet and Urinal Cleaner.
