Windmill Hygiene Plus - Catering Cleaner Sanitiser - Trigger Spray Bottle - 750ml - White Head

Variant code: 14-750HW

Windmill Hygiene Plus Trigger Spray Bottle is a catering cleaner sanitiser dispensing solution designed to deliver **safe, compliant and efficient application** in food preparation environments. As part of the Windmill professional cleaning range, it provides a durable and clearly labelled bottle solution for use with Hygiene Plus cleaner sanitiser products.

This **750ml trigger spray bottle** features **printed labelling directly on the bottle**, ensuring that product information remains clear and legible at all times. This eliminates the risk of labels peeling or fading, helping maintain **legal compliance and safety standards** in professional catering and hygiene-sensitive environments.

Designed for practical use, the bottle supports accurate spray application for effective cleaning and sanitising of surfaces. It is compatible with a range of **colour-coded trigger heads (Blue, Green, Red, White and Yellow)**, allowing for easy integration into hygiene colour coding systems and helping to prevent cross-contamination.

Product Features

- 750ml **trigger spray bottle for cleaner sanitiser**
- **Printed bottle design** – no removable labels
- Maintains **compliance and safety standards**
- Compatible with **colour-coded trigger heads**
- Durable and reusable construction
- Designed for Hygiene Plus products

Product Benefits

- Eliminates issues with damaged or missing labels
- Supports compliance in catering environments
- Enables controlled and effective spray application
