Windmill Invincible - Cleaner and Sanitiser - Trigger Spray Bottle - 750ml - Blue Head

Variant code: 14-750IB

Windmill Invincible Trigger Spray Bottle is a cleaner and sanitiser dispensing solution designed to deliver **safe, compliant and efficient application** in professional cleaning environments. As part of the Windmill Invincible range, it provides a durable and clearly identified bottle for use with bactericidal washroom cleaner disinfectant products.

This **750ml trigger spray bottle** features **printed labelling directly onto the bottle**, eliminating the risk of labels peeling, fading or becoming illegible over time. This ensures the bottle remains **fully compliant with safety and labelling regulations**, making it ideal for use in environments where correct identification is essential.

Designed for practical daily use, the bottle enables accurate spray application for effective cleaning and sanitising of surfaces. It is compatible with a range of **colour-coded trigger heads (Blue, Green, Red, White and Yellow)**, supporting hygiene segregation systems and helping to prevent cross-contamination across different cleaning zones.

Product Features

- 750ml **trigger spray bottle for cleaner and sanitiser**
- **Printed bottle design** – no removable labels
- Maintains **legal compliance and clear identification**
- Compatible with **colour-coded trigger heads**
- Durable and reusable construction
- Designed for Windmill Invincible products

Product Benefits

- Eliminates issues with worn or missing labels
- Supports compliance in hygiene-critical environments
- Enables accurate and controlled spray application

- Helps maintain hygiene through colour coding systems
- Durable for repeated professional use
- Simplifies cleaning and sanitising routines

Technical Characteristics

- Capacity: **750ml**
- Printed labelling directly on bottle
- Compatible with standard trigger spray heads
- Available with multiple colour trigger options
- Designed for use with cleaner sanitiser solutions
- Use in accordance with workplace safety guidelines

Applications

Windmill Invincible Trigger Spray Bottle is suitable for use in **commercial, healthcare, education and public environments**, including washrooms and hygiene-sensitive areas. It is ideal for dispensing **cleaner sanitisers on high-contact surfaces**, ensuring effective hygiene control. Its colour-coded compatibility makes it particularly effective in environments requiring **strict cleaning segregation and compliance**.
