Windmill Lemon Disinfectant - 5L (Replaces 05-400 Pine Disinfectant)

Variant code: 05-408

Windmill Lemon Disinfectant is a disinfectant cleaner designed to deliver **effective hygiene control and odour neutralisation** across a wide range of environments. As part of the Windmill professional cleaning range, it provides a reliable solution for maintaining clean, fresh and hygienic conditions in non-food areas.

The formulation works to **eliminate smells and malodours** while leaving a **fresh lemon fragrance**, helping to improve the overall environment after cleaning. It conforms to **BS 6471 QAP 60** standards and is effective against *Escherichia coli*, supporting hygiene requirements in commercial and institutional settings.

Suitable for use on floors, walls and drains, Windmill Lemon Disinfectant is ideal for general disinfecting tasks in environments such as **schools, nursing homes, offices and factories**. Its versatile formulation allows it to be integrated into routine cleaning programmes where both cleanliness and odour control are important.

Product Features

- Disinfectant **cleaner with lemon fragrance**
- Eliminates **malodours and unpleasant smells**
- Conforms to **BS 6471 QAP 60**
- Effective against *Escherichia coli*
