Windmill Lemon Gel - Multipurpose Floor Cleaner - 5L

Variant code: 03-326

Windmill Lemon Gel is a multipurpose floor cleaner designed to deliver **effective cleaning performance with a fresh, long-lasting fragrance** across a wide range of floor surfaces. As part of the Windmill professional cleaning range, it provides a reliable solution for maintaining cleanliness in commercial and institutional environments while leaving a pleasant lemon scent.

Formulated as a viscous gel, the product offers improved control during dilution and application, ensuring consistent cleaning results. It effectively removes dirt, grease and general soiling from floors, helping to maintain hygienic conditions in busy environments. The **lemon fragrance** enhances the cleaning process by leaving floors smelling fresh and clean after use.

Suitable for use on a variety of hard floor surfaces, Windmill Lemon Gel is ideal for routine cleaning tasks. Its formulation allows for flexible dilution depending on the level of soiling, making it suitable for both light maintenance cleaning and more intensive applications. The product is compatible with standard cleaning methods, including mopping systems, ensuring ease of use within existing cleaning routines.

Product Features

- Multipurpose **floor cleaner with gel formulation**
- Effectively removes **dirt, grease and general soiling**
- Suitable for a wide range of **hard floor surfaces**
- **Fresh lemon fragrance** for a clean finish
- Viscous formula for controlled dilution and application
