Windmill Lustre Luxury Multipurpose Furniture Polish RTU - 750ml

Variant code: 06-181

Windmill Lustre Luxury Multipurpose Furniture Polish RTU is a ready-to-use solution designed to deliver **effective cleaning, polishing and surface care** in one application. As part of the Windmill professional cleaning range, it provides a convenient and consistent method for maintaining the appearance of furniture and interior surfaces in commercial and institutional environments.

Formulated for immediate use, this polish removes dust, fingerprints and light soiling while enhancing the natural appearance of surfaces. The ready-to-use format eliminates the need for dilution, allowing for quick application and reliable results. It leaves a smooth, polished finish that improves surface clarity and contributes to a well-presented environment.

Suitable for a variety of surfaces including wood, laminates, plastics and other hard materials, Windmill Lustre provides versatility across multiple cleaning tasks. The formulation also helps reduce the build-up of dust over time, supporting ongoing maintenance and reducing the frequency of cleaning.
