Windmill Pink Lotion Hand Soap – 5L

Variant code: 10-202

Windmill Pink Lotion Hand Soap is a mild yet effective liquid hand cleaner designed for regular use in commercial, industrial and public washroom environments. Formulated with powerful cleansing agents and enriched with **glycerine**, the soap provides effective hand cleaning while helping maintain skin comfort during frequent use.

Its concentrated formula quickly produces a rich cleansing lather when used with hot or cold water, helping remove everyday dirt and grime efficiently. Despite its strong cleaning performance, the mild formulation is gentle on skin, making it suitable for regular hand washing in busy workplaces and shared washroom facilities.

Designed for compatibility with most **bulk fill soap dispensers**, the product offers a practical and economical hand hygiene solution for high-use environments requiring reliable cleansing performance and efficient dispenser refilling.

Product Features

- **Liquid lotion hand soap** for everyday hand washing
- Contains **glycerine** to help maintain skin comfort
- Powerful cleansing formulation with mild skin feel
- Produces a rich lather with hot or cold water
- Suitable for frequent everyday use
