

Windmill Quick Shine Instant Clean & Shine Floor Polish – 5L

Variant code: 03-385

Outstanding gloss durable finish with a pleasant fragrance. Slip resistant and non-yellowing finish.

Quick Shine is a quick and simple floor maintainer for use with a mop or rotary polishing machine. Can be mopped on neat and will dry to a high gloss or used as a spray buff cleaner.

Quick Shine has an outstanding performance and is suitable for all types of thermoplastic and synthetic floor covers.

Not for use on unsealed wood, unsealed cork or laminated flooring. See downloads for a downloadable dosing chart.
