Windmill Refill Hand Sanitiser - Alcohol Free - Foaming - 10L

Variant code: 07-130

Windmill Refill Hand Sanitiser - Alcohol Free - Foaming - 10L is a broad-spectrum hygiene solution designed to deliver **effective hand sanitising performance** without the use of alcohol. As part of the Windmill professional hygiene range, it is formulated for environments requiring frequent hand cleaning while maintaining skin comfort and compliance with industry standards.

Developed to meet the needs of the **food, catering and hospitality industries**, this sanitiser is **non-tainting and food safe**, making it suitable for use in areas where hygiene and product safety are critical. The fast-acting formulation works quickly to **kill bacteria and enveloped viruses**, helping to maintain high hygiene standards in professional environments.

The foaming format ensures **even coverage and controlled application**, while remaining **non-sticky and easy to use**. Built-in skin conditioners help maintain skin condition during repeated use, making it suitable for high-frequency applications in both commercial and care settings. The product achieves **99.999% bacterial reduction** and is certified to recognised standards including **EN1276, EN1500 and EN14476**.

Supplied in a **10L refill format**, it is ideal for high-use environments requiring reliable, compliant and cost-effective hand hygiene solutions.

Product Features

- **Alcohol-free foaming hand sanitiser**
