

Windmill Refill Atomiser Sprayer All Purpose Cleaner and Sanitiser – 300ml

Variant code: 14-600

Windmill refillable atomisers deliver a better-than-aerosol spray quality that sets brands apart.

It's a next generation trigger-based dispensing technology that eschews conventional propellant gases and pressurised containers.

The product is also completely isolated, which means a superior overall product experience is achieved.

Its very fine mist combined with continuous spray functionality covers large areas quickly, evenly and in all directions from first to last drop
