Windmill Synergy All Purpose - Cleaner and Sanitiser - Atomiser Spray - 300ml - Windmill Refill

Variant code: 14-600

Windmill Synergy All Purpose - Cleaner and Sanitiser - Atomiser Spray - 300ml - Windmill Refill is an eco-friendly cleaning solution designed to deliver **effective antibacterial and anti-viral performance** across a wide range of surfaces. As part of the Windmill professional cleaning range, it combines cleaning, sanitising and odour control in one formulation, making it suitable for everyday hygiene maintenance.

Formulated as a **multi-purpose cleaner, sanitiser and air freshener**, it works to remove grease, dirt and ingrained soiling while neutralising odours and leaving a fresh fragrance. The product is suitable for use on a variety of **hard surfaces**, including cooker hoods, ovens, floors and walls, providing versatility across different cleaning tasks.

The advanced formulation is **certified to EN1276 and EN14476**, ensuring effective action against bacteria and viruses in professional environments. Supplied in a convenient **300ml atomiser spray format**, it allows for quick and controlled application, making it ideal for spot cleaning and high-contact areas.

As part of the Windmill Refill system, the product supports **sustainable cleaning practices**, helping to reduce single-use plastics through refillable packaging solutions.
