Windmill Captain Lemon - Hard Surface Cleaner - 10L - Windmill Refill

Variant code: 07-230

Windmill Captain Lemon - Hard Surface Cleaner - 10L - Windmill Refill is a versatile all-purpose cleaning concentrate designed to deliver **effective removal of soil, grease and heel marks** across a wide range of surfaces. As part of the Windmill professional cleaning range, it is formulated to provide reliable cleaning performance in high-traffic environments while maintaining surface condition.

Developed for use on **synthetic flooring and non-porous surfaces**, this cleaner is particularly effective on materials such as linoleum, PVC, rubber, sealed wood, sealed cork and thermoplastic floors. Its formulation allows it to tackle everyday dirt and marks efficiently, making it suitable for routine cleaning in demanding environments.

The product features a **controlled foam formulation**, helping to prevent overuse while ensuring consistent application and coverage. This improves cleaning efficiency and reduces product waste, making it suitable for large-scale cleaning operations. It is designed for use across a variety of environments including offices, schools, hospitals and canteens.

Supplied in a **10L refill format**, it is ideal for high-use environments requiring a cost-effective and dependable cleaning solution. Please note that it is **not recommended for galvanised surfaces, laminated flooring or unsealed wood and cork**.

Product Features

- **All-purpose hard surface cleaning concentrate**
- Removes **soil, grease and heel marks**
- Suitable for **synthetic floors and non-porous surfaces**
- **Controlled foam formulation** for efficient use
- Compatible with a wide range of floor types
- Designed for **professional cleaning environments**
