Windmill Gleam Plus - Glass Cleaner with Vinegar - 10L - Windmill Refill

Variant code: 07-250

Windmill Gleam Plus - Glass Cleaner with Vinegar - 10L - Windmill Refill is a ready-to-use cleaning solution designed to deliver **effective grease removal and smear-free results** on glass and reflective surfaces. As part of the Windmill professional cleaning range, it combines an advanced formulation with vinegar to improve cutting performance while maintaining a clear, polished finish.

Formulated with **vinegar to aid grease removal**, this cleaner is particularly effective on windows, mirrors and other reflective surfaces where residue and smearing can be problematic. The advanced formula ensures a **smear-free finish**, making it suitable for both routine cleaning and final finishing tasks. It is designed for fast application using a **spray and wipe method**, supporting efficient cleaning processes.

The product is **free from abrasives**, ensuring it will not damage delicate surfaces such as glass, mirrors and polished materials. It is also **ammonia-free**, making it more pleasant to use while maintaining effective cleaning performance. An integrated **anti-misting agent** helps reduce condensation build-up, supporting longer-lasting clarity after cleaning.

Supplied in a **10L refill format**, it is ideal for high-use environments where consistent cleaning performance and ease of replenishment are required.

Product Features

- Glass cleaner with **vinegar for enhanced grease removal**
- Advanced formula for **smear-free finish**
- **Ammonia-free** for improved usability
- **Non-abrasive formulation** safe for delicate surfaces
- **Fast spray and wipe application**
- Contains **anti-misting agent**
- Suitable for glass and reflective surfaces

Product Benefits

Tel: 01626 355177
Email: info@aukhygiene.com

- Delivers **clear, streak-free cleaning results**
- Improves efficiency in routine cleaning tasks
- Safe for use on delicate and polished surfaces
- Provides a more pleasant cleaning experience
- Reduces need for repeated wiping
- Maintains clarity on glass and mirror surfaces

Technical Characteristics

- Suitable for **glass, mirrors and reflective surfaces**
- Designed for **spray and wipe cleaning methods**
- Contains vinegar for improved degreasing performance
- Free from abrasives and ammonia
- Includes anti-misting properties
- Supplied in **refill format for professional use**

Applications

This product is suitable for **commercial, residential and public environments**, including offices, retail spaces, schools, hospitality venues and general building maintenance. It is particularly effective for cleaning **windows, mirrors and other reflective surfaces**, ensuring a smear-free finish while maintaining clarity and cleanliness in high-visibility areas.
