Windmill Synergy Biological Toilet and Urinal Cleaner - 5L - Apple Fragrance - Windmill Refill

Variant code: 07-420

Windmill Synergy Biological Toilet and Urinal Cleaner - 5L - Apple Fragrance - Windmill Refill is a thickened washroom cleaner designed to deliver **effective cleaning and bactericidal action** in sanitary environments. As part of the Windmill professional cleaning range, it combines strong cleaning performance with a **highly perfumed formulation**, making it suitable for maintaining cleanliness and freshness in washrooms.

Formulated for **daily and routine cleaning**, this product is suitable for use on toilet bowls, urinals, sinks and baths. It is compatible with a wide range of surfaces including **porcelain, stainless steel, plastic, vitreous enamel, chrome, ceramic and quarry tiles**, ensuring versatility across different washroom fixtures. The cleaner works to **remove dirt and kill bacteria in a single operation**, improving efficiency in routine cleaning tasks.

The thickened formulation allows the cleaner to **cling to vertical surfaces**, increasing contact time and enhancing cleaning performance. Its **apple fragrance** provides a fresh and pleasant scent, helping to maintain a hygienic and welcoming washroom environment. Supplied in a **5L refill format**, it is ideal for high-usage environments where consistent cleaning performance is required.

Property	Value
Toilet Cleaning	Apply evenly around the bowl under the rim. Give up to 30 minutes contact time before brushing and finally flushing the toilet.
Urinal Cleaning	Apply to the surface of the urinal directly or with a toilet brush.
Blocked Urinal Pipes	Turn off urinal and pour between 100-250ml directly into the drain hole of the urinal and allow time with the water off for the product to work. Repeated application may be necessary to flush stubborn blockages.
