

Windmill Contester Unperfumed – Heavy Duty Degreaser – 1L – Windmill Refill Recharger

Variant code: 07-265

An outstanding powerful multi-purpose degreaser developed for a wide range of cleaning applications in kitchens, food processing operations and general industry.

Very versatile product, effective in hard, soft, warm or cold water. Suitable for use on all hard washable surfaces. Unperfumed, ideal for use in kitchens and food processing areas.

As part of the Windmill Refill Range this product has been subject of extensive research to ensure the best formulations are packed into our sustainable container bottles.

Where to Use

Quickly removes grease and ingrained soil from a variety of hard surfaces, including cooker hoods, deep fat fryers, ovens, floors and walls. Easily removes fat, grease, oil and ingrained soiling.

Supplied in the Windmill Refill 1L Recharger bottle that gets collected when empty and refilled to eliminate single use plastics.

Spray/Bucket Options

- Spray printed 750ml trigger spray bottle with foaming trigger spray
- 1.8L Foaming pressure sprayer – perfect for spraying onto vertical surfaces
- Mop Buckets

Dilution Rates

Concentrated; economical in use. Supplied in the innovative 1L Windmill Refill Recharger bottle – with easy measure of between 20–60ml by turning the bottle upside down, measuring chemical, then unscrewing the lid and pouring into spray bottle or bucket.

- **Damp Mopping** Dilute 60ml for every 5L of cold water into mop
- **Spray and Wipe in Trigger Spray** Dilute

20ml, spray with caution, allow contact time and wipe away.

- **Foamer Dilute** 60ml into 1400ml of water. Spray with caution, allow contact time and rinse/wipe away.
- **Deep Fat Fryers** Switch off appliance, drain oil and any deposits. Dilute 180ml (3x60ml doses) with cold water. Submerge basket and utensils in solution and soak for 2 hours. Rinse with clean water and allow to air dry.
