Windmill Victory - Acidic Foaming Washroom Cleaner - 10L - Windmill Refill

Variant code: 07-430

Windmill Victory - Acidic Foaming Washroom Cleaner - 10L - Windmill Refill is a ready-to-use solution designed to deliver **effective cleaning, descaling and sanitising performance** in washroom environments. As part of the Windmill professional cleaning range, it combines mild acidic action with a foaming application, making it suitable for maintaining hygienic and visually clean sanitary areas.

Formulated for regular use, the cleaner helps **remove scale build-up** while maintaining surface condition. The ready-to-use formulation allows direct application through **trigger sprays or foaming pressure sprayers**, supporting efficient and controlled cleaning. It is safe for use on **ceramics and enamelled surfaces**, and suitable for baths, sinks and general washroom fixtures.

The product works to **clean, sanitise and freshen in one operation**, reducing the need for multiple products. It leaves a **pleasant fragrance**, helping to maintain a clean and fresh washroom environment. Certified to **EN1276**, it provides reliable bactericidal performance for professional cleaning applications.

Product Features

- Ready-to-use **acidic foaming washroom cleaner**
- Mild acidic formulation for **scale removal**
- Suitable for **spray and foaming applications**
- Safe for use on **ceramics and enamelled surfaces**
- Cleans, sanitises and freshens in one step
- **Pleasant fragrance** after use
- Certified to **BS EN 1276**

Product Benefits

- Maintains **scale-free and hygienic surfaces**
- Improves efficiency with **multi-action cleaning**
- Simplifies cleaning routines
