Windmill Warrior - Toilet Cleaner and Descaler - 10L - Windmill Refill

Variant code: 07-410

Windmill Warrior - Toilet Cleaner and Descaler - 10L - Windmill Refill is a concentrated washroom cleaning solution designed to deliver **effective descaling and cleaning performance** in sanitary environments. As part of the Windmill professional cleaning range, it is formulated to remove stubborn deposits while maintaining hygiene and cleanliness across toilet and urinal areas.

Developed as a **concentrated lavatory cleaner**, it works to remove **limescale and organic deposits**, helping to restore surfaces and maintain washroom standards. The product is suitable for use on **ceramic and stainless steel toilets and urinals**, providing versatility across a range of washroom fixtures. Its formulation enables both routine cleaning and targeted descaling, supporting consistent maintenance.

The **viscous formulation** ensures the cleaner clings to vertical surfaces, allowing longer contact time and more effective cleaning action. This improves the removal of scale and build-up, particularly in high-use areas. After use, the product leaves a **fresh fragrance**, contributing to a clean and pleasant washroom environment.

Supplied in a **10L refill format**, it is suitable for high-usage environments where reliable cleaning performance and cost efficiency are essential.

Product Features

- Concentrated **toilet cleaner and descaler**
- Removes **limescale and organic deposits**
- Suitable for **ceramic and stainless steel surfaces**
- **Viscous formulation** for improved surface contact
- Designed for **washroom cleaning applications**
- Leaves a **fresh fragrance** after use

Product Benefits

Tel: 01626 355177
Email: info@aukhygiene.com

- Maintains **clean and scale-free washroom surfaces**
- Improves efficiency in routine cleaning tasks
- Enhances hygiene standards in sanitary areas
- Provides consistent cleaning performance
- Reduces need for multiple products
- Leaves washrooms clean and fresh

Technical Characteristics

- Suitable for **toilets, urinals and washroom surfaces**
- Designed for **removal of scale and organic build-up**
- Compatible with **standard cleaning equipment**
- Viscous formulation for vertical surface adhesion
- Supplied in **refill format for professional use**
- Use in accordance with manufacturer guidelines

Applications

This product is suitable for **commercial and public washrooms**, including offices, schools, hospitality venues, leisure facilities and healthcare environments. It is particularly effective for **routine cleaning and descaling of toilets and urinals**, ensuring hygienic conditions and maintaining the appearance of washroom facilities in high-traffic areas.
