Windmill Odour Force Lemon - Enzyme Deodoriser - Trigger Spray Bottle - 750ml - Windmill Refill - Green Head

Variant code: 14-750OFG

Windmill Odour Force Lemon Trigger Spray Bottle is a dedicated dispensing solution designed to deliver **safe, compliant and efficient application** of enzyme deodoriser products. As part of the Windmill professional cleaning range, it provides a durable and clearly labelled bottle for use with Odour Force Lemon formulations.

This **750ml trigger spray bottle** features **printed labelling directly onto the bottle**, eliminating the risk of labels peeling, fading or becoming illegible over time. This ensures the bottle remains **fully compliant with safety and labelling regulations**, making it ideal for professional environments where correct product identification is essential.

Designed for ease of use, the bottle enables controlled spray application for deodorising tasks across a variety of surfaces. It is compatible with a range of **colour-coded trigger heads (Blue, Green, Red, White and Yellow)**, supporting hygiene segregation systems and helping to prevent cross-contamination in cleaning operations.

Product Features

- 750ml **trigger spray bottle for enzyme deodoriser**
- **Printed bottle design** – no removable labels
- Maintains **legal compliance and clear identification**
- Compatible with **colour-coded trigger heads**
- Durable and reusable construction
- Designed for Windmill Odour Force Lemon products

Product Benefits

- Eliminates issues with worn or missing labels
- Supports compliance in professional environments
- Enables accurate and controlled spray
