

Windmill Spray & Wipe With Bleach – Bactericidal Cleaner – 5L

Variant code: 06-803

Windmill Spray and Wipe with Bleach is a hard surface cleaner and sanitiser designed to deliver **effective cleaning and hygiene control** in one application. As part of the Windmill professional cleaning range, it provides a convenient ready-to-use solution for maintaining cleanliness across kitchens, washrooms and general environments.

This rapid action cleaner effectively removes **stains, soap deposits, grease, oil and fatty residues** from non-porous surfaces. It is particularly suitable for areas such as **sinks, basins, worktops and bathroom tiles**, where build-up of dirt and residue is common. In addition to cleaning performance, it acts as an **effective sanitiser against bacteria**, supporting hygiene standards in everyday cleaning tasks.

The ready-to-use formulation eliminates the need for dilution, ensuring consistent results while reducing waste and saving time. Simply spray onto the surface and wipe clean with a cloth or paper towel for quick and efficient results. The product also leaves a **pleasant fragrance**, helping to freshen the environment as it cleans.

Product Features

- Ready-to-use **cleaner and sanitiser with bleach**
- Removes **stains, grease and soap deposits**
- Effective against **bacteria**
- Suitable for **non-porous surfaces**
- Easy spray and wipe application
- Leaves a **fresh, pleasant fragrance**

Product Benefits

- Combines cleaning and sanitising in one product
- Saves time with no dilution required
- Reduces product waste and improves efficiency
- Maintains hygiene in kitchens and washrooms
- Suitable for frequent cleaning tasks

- Provides consistent and reliable results

Technical Characteristics

- Bleach-based formulation for effective cleaning
- Designed for **ready-to-use application**
- Suitable for non-porous, water-washable surfaces
- Compatible with spray-and-wipe cleaning methods
- Supplied in trigger spray format
- Use in accordance with manufacturer guidelines

Applications

Windmill Spray and Wipe with Bleach is suitable for use in **kitchens, washrooms and general cleaning environments**, including commercial, industrial and domestic settings. It is particularly effective for cleaning and sanitising **sinks, basins, worktops and tiles**, where removal of grease, stains and bacteria is essential. Its ready-to-use format makes it ideal for routine cleaning and quick response tasks in busy environments.

Property	Value
Fragrance	Characteristic
Dilution	Use Neat
pH	13.2
