

## Windmill Sprinter Rinse Free Neutral Hard Surface Cleaner – 5L

**Variant code: 03-800**

An excellent product for cleaning all floors.

It is pH neutral and dries to leave a film-free surface. Suitable for use with either wet mopping or scrubber-driers, and can be used in hard and soft water areas as the formulation is precipitate free.

Use for the routine cleaning of floors, and for cleaning following stripping, prior to the application of polish or seal.

Windmill Sprinter contains no perfume or butyl cellosolve and therefore can be used on floors in food processing / handling areas.

Always try the chemical in a test area first. For commercial use only.
