

Windmill Superior Plus – Antibacterial Washing Up Liquid – 5L

Variant code: 04-186

Windmill Superior Plus Antibacterial Washing Up Liquid is a high-performance cleaning solution designed to deliver **effective grease removal and antibacterial protection** in professional and domestic environments. As part of the Windmill cleaning range, it combines powerful cleaning action with proven hygiene performance.

This unique formulation has been tested to **EN 1040 standards**, achieving a 99.999% kill rate against bacteria including *Pseudomonas aeruginosa* and *Staphylococcus aureus*. It is also proven effective against **E. coli, Salmonella, Listeria and MRSA**, providing reliable antibacterial action during normal use at standard dilution rates.

In addition to its sanitising capability, the product effectively removes grease, food residues and general soiling, making it suitable for **dishwashing, glasswashing, crockery and utensil cleaning**. The biodegradable formulation is **free from phosphates and formaldehyde**, supporting more environmentally responsible cleaning practices.

Supplied in a **5L format**, it is ideal for high-use environments requiring consistent cleaning performance with added hygiene benefits.

Product Features

- Antibacterial **washing up liquid**
- Tested to **EN 1040 standard**
- Effective against a wide range of bacteria
- Provides cleaning and sanitising in one solution
- **Biodegradable and phosphate-free formulation**
- Suitable for multiple washing applications

Product Benefits

- Delivers effective cleaning with added antibacterial protection
- Helps maintain high hygiene standards
- Suitable for professional and domestic use

- Reduces need for separate sanitising products
- Supports environmentally responsible cleaning
- Ideal for high-use catering environments

Technical Characteristics

- Complies with **EN 1040 antibacterial standard**
- Effective at **normal dilution rates**
- Suitable for manual washing applications
- Free from phosphates and formaldehyde
- Biodegradable formulation
- Use in accordance with manufacturer guidelines

Applications

Windmill Superior Plus Antibacterial Washing Up Liquid is suitable for use in **commercial kitchens, catering environments, hospitality venues and domestic settings**. It is ideal for cleaning **dishes, glassware, crockery and utensils**, providing both effective cleaning and antibacterial protection in everyday washing tasks.
