Windmill Superior - Washing Up Liquid - 5L

Variant code: 04-181

Windmill Superior Washing Up Liquid is a high-performance cleaning solution designed to deliver **effective grease removal and streak-free cleaning** across a wide range of applications. As part of the Windmill professional cleaning range, it provides reliable performance for both kitchen and general cleaning tasks.

This super concentrated, unperfumed multipurpose dishwashing detergent is formulated to tackle grease, food residues and general soiling with ease. Its **long-lasting, streak-free formulation** ensures excellent cleaning results without leaving residue, making it suitable for both manual dishwashing and other cleaning applications where a clear finish is required.

The formulation is **biodegradable and free from phosphates and formaldehyde**, supporting more environmentally responsible cleaning practices while maintaining strong cleaning performance. Its unperfumed nature also makes it suitable for use in environments where fragrance-free products are preferred.

In addition to dishwashing, the product is versatile enough for **vehicle cleaning, paintwork and general cleaning tasks**, making it a practical all-round solution for professional and commercial use. Supplied in a **5L format**, it is ideal for high-usage environments requiring cost-effective and efficient cleaning.

Product Features

- Super concentrated **washing up liquid**
- **Unperfumed formulation** for neutral cleaning
- Long-lasting **streak-free performance**
- Biodegradable and free from **phosphates and formaldehyde**
- Suitable for **multiple cleaning applications**
