Windmill Synergy Biological Multipurpose Cleaner - Trigger Spray Bottle/Head - 750ml - Windmill Refill - Green

Variant code: 14-750SMG

Windmill Synergy Trigger Spray Bottle is a purpose-designed container for use with **Windmill Synergy Biological Multipurpose Cleaner**, providing a practical and compliant solution for professional cleaning environments. It ensures accurate product identification and consistent application.

This **750ml trigger spray bottle features a screen-printed design**, preventing labels from peeling, fading or becoming illegible over time. The permanent print ensures compliance with workplace regulations, particularly where clear chemical identification is required.

Designed for ease of use, the bottle supports **spray and wipe cleaning applications** across a wide range of surfaces. It enables controlled product application, improving efficiency and consistency in daily cleaning routines.

Available with a choice of **trigger head colours (Blue, Green, Red, White and Yellow)**, it supports colour-coded cleaning systems to help reduce cross-contamination and improve organisation.
