

Windmill Trophy Buffable Emulsion Polish – 5L

Variant code: 03-893

Designed specially for machine burnishing. Non-yellowing cross-linked film. Does not discolour even the lightest floor.

Tough slip resistant film with good machine repairability. Protects and prolongs the life of flooring materials. May be easily maintained by damp mopping. Responds brilliantly to spray burnishing.

For all linoleum, P.V.C., rubber, sealed cork, sealed wood, terrazzo and thermoplastic floors. N.B. Not suitable for use on unsealed wood, unsealed cork or laminate flooring.
