Cimex Encap Low Moisture Specialist Carpet Cleaner - 2 x 5L

Variant code: 09-866

A specialist encaptulating carpet cleaning chemical for use with the Cimex machine.

The unique formulation emulsifies and encaptulates carpet soil for easy vacuum removal.

Encaptulates all soils found in carpets, dries to a brittle residue which allows the soil to be removed by simply vacuuming

Soils will continue to be removed for several days after treatment with routine vacuuming

Repels soils and stains, no rinsing required.
Contains no optical brighteners.
