Windmill Valiant Multipurpose Neutral Floor Cleaner - 5L

Variant code: 06-581

Windmill Valiant is a multipurpose neutral floor cleaner designed to deliver **effective routine cleaning across all hard surfaces** while maintaining floor integrity. As part of the Windmill professional cleaning range, it provides a reliable solution for daily maintenance cleaning in commercial and institutional environments.

This effective maintenance cleaner is suitable for use on a wide variety of hard surfaces, removing dirt, grease and general grime with ease. Its **rapid action formulation** cuts through soiling efficiently, helping to maintain cleanliness in high-traffic areas. The product is **free from acids and caustics**, making it safe for regular use without damaging surfaces.

Windmill Valiant features a **low foam formulation**, reducing cleaning time and making it particularly suitable for use with scrubber driers and other mechanical cleaning equipment. It leaves a **tangy lemon fragrance**, enhancing the environment with a fresh and clean scent after use.

Product Features

- Multipurpose **neutral floor cleaner**
- Removes **grease, grime and general soiling**
- **Low foam formulation** for efficient cleaning
- Free from acids and caustics
- Suitable for **all hard surfaces**
- Leaves a **fresh lemon fragrance**

Product Benefits

- Safe for regular use on a wide range of surfaces
- Reduces cleaning time with low foam performance
- Maintains cleanliness in high-traffic areas
- Suitable for manual and machine cleaning
- Enhances environment with fresh fragrance
- Supports consistent cleaning routines

Technical Characteristics

Tel: 01626 355177
Email: info@aukhygiene.com

- Neutral formulation for safe surface cleaning
- Low foam design for machine compatibility
- Suitable for use on **all hard, water-washable surfaces**
