Windmill Warrior - Toilet Cleaner and Descaler - 5L

Variant code: 05-801

Windmill Warrior - Toilet Cleaner and Descaler - 5L designed to deliver **effective cleaning, limescale removal and hygiene maintenance** across washroom environments. As part of the Windmill professional cleaning range, it is formulated to tackle stubborn deposits commonly found in toilets and urinals, ensuring reliable performance in both routine and intensive cleaning applications.

This concentrated lavatory cleaner features a **viscous formula that clings to surfaces for longer contact time**, allowing for more thorough cleaning action. It effectively removes **limescale and organic deposits**, helping to restore cleanliness and maintain hygienic conditions in washroom areas. The formulation is suitable for use on **ceramic and stainless steel toilets and urinals**, providing versatility across standard washroom fixtures.

Designed for ease of use, the product can be applied directly to affected areas to break down scale and soiling before rinsing away. Care should be taken to avoid use on **acid-sensitive surfaces such as marble, terrazzo, chrome or enamel**, and it should not be left in prolonged contact without rinsing.

Supplied in a **5L format**, Windmill Warrior is suitable for high-usage environments where consistent cleaning performance and cost efficiency are required.

Product Features

- Toilet cleaner and **descaler in one formulation**
- **Viscous formula** for extended surface contact
- Removes **limescale and organic deposits**
- Suitable for **ceramic and stainless steel surfaces**
- Effective for toilets and urinals
- Concentrated formulation for professional use

Product Benefits

Tel: 01626 355177
Email: info@aukhygiene.com

- Provides **thorough cleaning with improved dwell time**
- Helps maintain **hygienic washroom conditions**
- Reduces build-up of scale and organic contamination
- Suitable for routine and deep cleaning tasks
- Improves overall cleanliness and appearance
- Supports efficient washroom maintenance

Technical Characteristics

- Suitable for **ceramic and stainless steel toilets and urinals**
- Designed for direct application and rinse-off cleaning
- Do not use on **acid-sensitive surfaces**
- Do not leave neat product in prolonged contact
- Requires rinsing after application
- Use in accordance with manufacturer guidelines

Applications

Windmill Warrior is suitable for use in **commercial, industrial and institutional washrooms**, including offices, schools, healthcare facilities and public buildings. It is particularly effective in areas where **limescale and organic deposits** are common, such as toilet bowls and urinals. Its viscous formulation ensures effective cleaning even in hard-to-reach areas, making it ideal for maintaining clean and hygienic washroom facilities in high-traffic environments.
