Windmill Warrior Toilet Cleaner and Descaler RTU - 1L

Variant code: 05-800

Windmill Warrior Toilet Cleaner and Descaler RTU is a ready-to-use cleaning solution designed to deliver **effective removal of limescale, organic deposits and general soiling** in washroom environments. As part of the Windmill professional cleaning range, this formulation combines cleaning and descaling performance in a convenient ready-to-use format, making it suitable for routine and responsive cleaning tasks.

The **ready-to-use formulation** eliminates the need for dilution, allowing for immediate application directly onto toilet bowls and urinals. It works to break down **limescale and organic build-up**, helping to maintain clean, hygienic and presentable washroom facilities. Its liquid consistency allows for easy and targeted application, ensuring effective coverage including below the waterline.

Designed for use on **ceramic and stainless steel surfaces**, the product supports regular maintenance of toilets and urinals in busy environments. The RTU format makes it particularly suitable for quick cleaning tasks where efficiency and ease of use are essential.

Supplied in a **1L format**, Windmill Warrior RTU is ideal for everyday use in environments requiring reliable performance and convenient application.

Product Features

- Ready-to-use **toilet cleaner and descaler**
- No dilution required for immediate application
- Removes **limescale and organic deposits**
- Suitable for **toilets and urinals**
- Effective on **ceramic and stainless steel surfaces**
- Liquid formulation for easy application

Product Benefits

- Saves time with **ready-to-use convenience**
- Helps maintain **clean and hygienic**
