Windmill Wrestler - Heavy Duty Hard Surface Cleaner - 5L

Variant code: 06-586

Windmill Wrestler is a heavy duty hard surface cleaner designed to deliver **powerful cleaning performance for heavily soiled environments**. As part of the Windmill professional cleaning range, it provides a strong, versatile solution for removing grease, grime and built-up dirt across a wide range of industrial and commercial applications.

This heavy duty formulation offers **strong, fast-acting cleaning power**, rapidly cutting through stubborn contamination and even stripping polish from floors when required. It is particularly effective in demanding environments such as **industrial areas and commercial kitchens**, where grease and heavy soiling are common. The **controlled foam formulation** ensures efficient cleaning without excess lather, reducing the need for additional rinsing and improving productivity.

Windmill Wrestler is suitable for use on a variety of hard surfaces, including **rubber, ceramic, concrete and PVC floors**, as well as walls and industrial surfaces. It is also effective for **deep cleaning safety flooring** and can be used in washroom maintenance, including flushing urinals to help keep pipework clear when used as directed.

Product Features

- Heavy duty **hard surface cleaner**
- Rapidly removes **grease, grime and heavy soiling**
- Capable of **stripping floor polish**
- Controlled foam for efficient cleaning
- Suitable for industrial and commercial applications
- Versatile use across multiple surface types

Product Benefits

- Provides powerful cleaning for demanding environments
- Reduces time required for deep cleaning tasks
- Minimises rinsing with controlled foam

formulation
- Suitable for a wide range of applications
- Helps maintain hygiene in high-use areas
- Supports efficient and consistent cleaning routines

Technical Characteristics

- Designed for **heavy duty cleaning applications**
- Suitable for rubber, ceramic, concrete and PVC surfaces
- Can be used neat or diluted depending on application
- Compatible with manual and machine cleaning methods
- Not suitable for aluminium, galvanised metal or polished floors
- Ensure good ventilation and avoid spraying neat

Applications

Windmill Wrestler is suitable for use in **industrial, commercial and institutional environments**, including factories, kitchens, workshops and public facilities. It is ideal for **walls, floors, safety flooring and heavily soiled surfaces**, as well as for maintenance cleaning in washrooms such as urinal flushing. Its powerful formulation makes it particularly effective in areas where **grease build-up, heavy dirt and intensive cleaning requirements** are present.

Property	Value
Fragrance	Characteristic
Dilution	For heavy duty cleaning and wax removal dilute Wrestler in 1 part to 10 parts hot or cold water. For general maintenance cleaning dilute Wrester in 1 part to 80 parts hot or cold water.
pH	13
Area of Use	Deep Cleaning Hard Floors (Not for Polished Floors)
Dosing Chart: 10L Dilution	Dosing:4
Dosing Chart: 5L Dilution	Dosing:2
CLP	corrosive
How to Use	Dilute into mop bucket with warm water and mop floor. For deep cleans, mop onto floor, allow contact time and scrub the floor with a deck scrub or scrubbing machine before picking up slurry with mop or wet vacuum
Chemical Colour	Colourless
