Wipe Mighty Medium Cloths - 38x38cm - Pack of 10 - Green

Variant code: 12-100237G

Wipe Mighty Medium Cloths are durable and highly absorbent **38x38cm professional cleaning cloths** designed for demanding commercial, industrial and domestic cleaning applications. Manufactured from strong non-woven material, these reusable cloths provide excellent cleaning performance, superior absorbency and long-lasting durability for everyday cleaning tasks.

Designed for professional cleaners and janitorial environments, these versatile cleaning cloths are capable of absorbing up to 10 times their own weight in liquid, making them ideal for wiping surfaces, cleaning spills and polishing tasks. Their soft yet heavy-duty construction effectively removes dirt, grease and grime without easily tearing or losing performance during repeated use. Suitable for kitchens, washrooms, floors, worktops and equipment cleaning across multiple industries.

Supplied in a convenient **pack of 10 cloths**, Wipe Mighty Medium Cloths offer a practical and cost-effective reusable cleaning solution. Available in multiple colours to support colour-coded cleaning systems and help minimise cross-contamination in hygiene-sensitive environments.
