X60 Wypall Cloths – 200 Sheets

Variant code: 02-KC8370

The WypAll X60 Range has been specially designed as a lightweight, durable cloth designed to tackle a variety of light-duty wiping tasks. Leading the way in versatility, our goal is to support you in improving productivity and efficiency whilst reducing waste by delivering a clean, reliably consistent and reusable cloth.

Advanced Hydroknit technology ensures each cloth is lightweight yet absorbent, helping to reduce residue and allows versatile cleaning across a variety of tasks. Perfect for use in industrial manufacturing, the cloth is ideal for removing light oil, adhesives and debris and equally suitable for cleaning glass and gloss surfaces.

Available in a flexible BRAG Box system, providing protective packaging to prevent grime/dirt touching the product. Single sheet dispensing, giving you controlled usage and access to protected cloths. Portable and ideal for small work spaces. Individual sheet size 42.60cm (L) x 31.70cm (W).
