# Numatic NX2401 Laundry/Waste Trolley including Bag

**Variant code: 14-718071**

Providing a 240L washable linen bag, with great features including an integrated laundry bag closure for safe transit, remove the bag with no hassle and easily folds flat for compact storage.

Servo-X uses all the same bag sizes as NuKeeper and NuBag units, providing total uniformity and allowing a fully integrated and coordinated professional approach to system planning.

Big in use, small in storage, the Servo-X trolley range will always find favour in the many locations where space is at an absolute premium.

- Compact Design - Big in use, small in storage for when space is at a premium.
- Versatile Convenience - 240L washable linen bag ideal for a variety of applications.
- Multi-functional Use - Easy to use, easy to move, easy to change and easy to store.
- Total Uniformity - Provides professional approach to integrated system planning.
- User Friendly - Incorporates integrated laundry bag closure system and drag handles.
