

Yellow Dusters – 50x34cm – Pack of 10

Variant code: 12-600

Yellow Dusters are versatile general-purpose cleaning cloths designed for efficient dusting, wiping and polishing across commercial, hospitality and domestic environments. Manufactured from soft and durable material, these practical dusters provide reliable everyday cleaning performance for a wide range of surfaces and applications.

Ideal for professional cleaners, janitorial teams and facilities management operations, these yellow dusting cloths effectively capture dust, dirt and light debris while remaining gentle on furniture, worktops, desks and delicate surfaces. Their lightweight and flexible construction allows for comfortable handling and quick cleaning across offices, kitchens, classrooms, hospitality venues and general maintenance environments.

Supplied in a convenient **pack of 10 dusters**, these reusable cloths offer a cost-effective cleaning solution for routine housekeeping and maintenance tasks. The bright yellow colour also supports hygiene colour-coding systems to help improve cleaning organisation and reduce cross-contamination risks in professional environments.
