Folding Safety Sign - Wet Floor/Cleaning in Progress - Each - Yellow

Variant code: 15-601

The **Folding Safety Sign – Wet Floor / Cleaning in Progress** is a highly visible warning sign designed to help reduce the risk of slips and falls during cleaning and maintenance tasks. Manufactured from durable heavy-duty plastic and finished in bright **Yellow**, this double-sided safety sign provides clear warnings to staff, visitors and members of the public in commercial and public environments.

Constructed from robust all-plastic material, the sign is designed for long-lasting daily use and folds flat for convenient carrying, storage and transportation. The bright yellow body features high-visibility **red and black graphics** printed on both sides, displaying **"Wet Floor"** on one side and **"Cleaning in Progress"** on the reverse. Its folding A-frame design allows the sign to be deployed quickly wherever temporary hazards exist.

Ideal for professional cleaning contractors, facilities management teams and workplace maintenance, the Folding Safety Sign provides a practical and reliable solution for promoting health and safety while helping to minimise the risk of accidents in busy environments.

Product Features

- Folding A-frame safety warning sign
- Heavy-duty all-plastic construction
